Mike,

We just wanted to express our gratitude on installing the XL14I system in our home last week. Your installers(Jay and Mike)did an excellent job and I am very happy with the work that was performed.

Your salesman, Bob King, was very honest and provided a lot of information that made it easy for us to make a decision on selecting the type of equipment.

We would also like to thank you for your time in coming to the job site. There are not too many owners that actually take the time to come out and check up on the job.

Please extend our thanks to all involved including your receptionist, Jackie, Diane.... You have a class act organization and would definitely recommend your company!

Great Job!!

Regards
